If a visa can be issued on arrival, it is normally possible to obtain an eVisa as an alternative.

In some cases, supporting documents are required for an eVisa. Where this is identified, we have indicated that a visa is required. When a visa is required, it can sometimes be applied for online. Mayotte and Reunion have the same requirements as France, but South African passport holders do not need a visa for Reunion.

We have shown the requirements for short visits for the purposes of tourism. Some countries require a visa for purposes other than tourism.
