REGAN VAN ROOY

TRANSFER PRICING SERVICES

About Regan van Rooy

Established in 2016, our team consists of seasoned experts from the Big Four, dedicated to guiding you through all aspects of transfer pricing compliance and planning. We provide clear, actionable answers tailored to your specific needs, ensuring swift and flexible delivery.

With decades of deep experiences across multiple jurisdictions, we're here to advise AND walk alongside you as you navigate your complex fiscal challenges, whether it's a short-term project or a long-term partnership. With strategically located offices in South Africa, Mauritius, Ireland, and the UK, we combine local expertise with a global reach to effectively solve any tax challenge.

Expertise in Dynamic Environments

The world of transfer pricing is constantly evolving, with increasing scrutiny from tax authorities and audits that can lead to significant tax exposures and penalties. Our team ensures your transfer pricing strategies are compliant, smooth, and tailored to your global operations, helping you avoid pitfalls and to focus on your core goals.

Our depth of experience across all aspects of transfer pricing positions us as your ideal partner, ensuring integrity and effectiveness in your transfer pricing strategies.

Comprehensive Transfer Pricing Services

Our services span the entire transfer pricing lifecycle:

- Strategic advice and policy design
- Health checks, risk assessments, and audit reviews
- In-depth documentation, including Master and Local Files
- Compliance with international reporting requirements
- Benchmarking, credit rating analysis, and debt capacity evaluations
- Operational support and business model optimisation
- Dispute resolution, including Advance Pricing Agreements and Mutual Agreement Procedures
- Tailored training programmes and dedicated on-the-ground support
